CPRE SUSSEX AIM AND OBJECTIVES

Overall Aim of CPRE Sussex

To promote the beauty, tranquility and diversity of the Sussex Countryside by encouraging the sustainable use of land and other natural resources in town and country.

CPRE Sussex Objectives :

- *To secure appropriate and sustainable land use, farming, woodland and biodiversity policies and practice, and improve the well-being of rural communities*
- *To ensure the value and benefits of the Sussex countryside are given due consideration by decision makers on issues of planning, land use, rural affairs and transport*
- *To work with like-minded organisations to achieve consistent and co-ordinated lobbying on countryside issues*
- *To secure wider awareness and support for our aim and objectives by informing and working with councillors, government officers and members of the public who can influence decisions*
- *To ensure that CPRE Sussex is a vibrant and growing organisation.*
