Dear Dr Smith

Thank you for your letter of 6 June regarding your concerns about the National Planning Policy Framework and the impact on councils when developments are not completed as a result of the developer's failings.

I have written to the Secretary of State for Housing, Communities and Local Government about this matter, outlining your concerns and enclosing a copy of your letter. As soon as I receive a response from the Rt Hon James Brokenshire MP, I will write to you again.

With best wishes.

Yours sincerely
