

Make an everlasting impact

From the woods of the High Weald where we find bluebells in the spring to the breathtaking beauty of the Downs, the Sussex countryside is unique.

We need to protect, nurture and cherish our countryside so it can thrive in the future – for nature and every person who calls it their home or their haven. Leave a gift in your will to CPRE Sussex and you'll help the Sussex countryside to live on.

How Judith made a lasting difference

In 2011, Judith Campbell Smyth left a gift in her will to CPRE. Judith's friend Susan recalled:

'Throughout her life, Judith was a great lover of the countryside. When we were children we'd cycle from Hove to the Downs for picnics. She loved walking and regularly walked in the area. No matter where Judith went in the world, she loved to come home to East Sussex.'

Judith's gift to CPRE has been used to enhance and protect countryside across England, including our work to save over 3,000 acres of her beloved South Downs National Park.

Our vision is for a beautiful and thriving
Sussex countryside that enriches all our lives

A Sussex countryside for us all, forever.

The countryside charity
Sussex

Your gift, no matter how small, really makes a difference.

Your generosity will help ensure our Sussex countryside continues to thrive, providing lasting benefits for generations to come.

We've been campaigning successfully for over 90 years to protect and promote the Sussex countryside.

We highlight the value of our countryside and;

- campaign to prevent urban sprawl over green fields
- challenge inappropriate development proposals
- defend the countryside at public inquiries.

We promote good development by:

- Recognising innovation and initiatives with our Countryside Awards.
- Working with local people, design professionals and developers to encourage better quality building.
- Engaging with local and national press, and broadcast and social media to highlight the importance of protecting the countryside
- Lobbying decision makers to ensure that green spaces are valued and open to everyone, for example protecting the Eastbourne and Brighton Downland.

Your gift is very precious to us as gifts in wills form over half of our income. These gifts have enabled CPRE Sussex to employ staff in addition to our fantastic network of volunteers and this makes a huge difference to the amount of work we can do. Your gift will help us to safeguard the future of the Sussex countryside for generations to come.
