

Free Training Days!

RE-FOREST BRIGHTON

Free training sessions are available as part of 'Reforest Brighton' throughout 2022. They are open to groups across Brighton & Hove that want to plant trees or explore other ways to make their community greener and more resilient to climate change

- Learn how to plan, develop and take forward projects
- How to communicate with and reach agreements with land owners
- Learn how to raise funds to turn ambitious plans into reality
- Get the chance to network with other groups from across the city with similar aims
