GREENING UP

HANOVER, ELM GROVE & TARNER RESIDENTS PLANNING WORKSHOP

Put your ideas for greening your street and neighbourhood into action at a creative 'making places' event.

This is your opportunity to contribute to making the whole area a greener, more beautiful and healthier place to live.

Your ideas will be developed later into a workable strategy for residents to green up the area over the next few years supported by BHCC and other organisations.

The workshop will be facilitated by:

James Boot – Community Planner
Alister Peters – Tree Specialist
Greg Sweeney – David Archer Associates

The event is free and no previous knowledge is needed! (Limited to 60 places on a first come basis) Please sign up by June 1st.
